**The Spartanburg Downtown Association is a community-based organization that plans, markets, and advocates for Downtown Spartanburg.**

**The association's goal is to be a guiding force for positive growth and improvement of the downtown area by providing leadership, and marketing as the dynamic center of commerce in the Greater Spartanburg community.**

**SDA performs services directly related to downtown development, such as promotion and advertising, business retention and recruitment, and planning and problem solving among downtown residents, businesses, property owners, employees, and community leaders.**

Born and raised in a small Ohio town, Kim moved away after high school to “see the country”. She worked and lived in resort towns such as Hilton Head Island, SC, Palm Beach, FL and Steamboat Springs, CO never realizing that she would come back to a small town later in life! There are many things such as the comfort and convenience of a small town that drew her to Spartanburg.

Kim’s professions have ranged from bartender/waitress, running a comedy club, retail management and private chef for the rich and famous on their yachts, to her current house management position for George and SuSu Johnson.

Kim holds a bachelors degree in business management/marketing from Ohio University, (Go Bobcats!) along with a culinary degree from Florida Culinary Institute in West Palm Beach, Florida.

She recently moved in to a loft apartment in downtown Spartanburg and fell in love with the atmosphere, location and vibrant energy of the town. She is thrilled to be a part of its growth and livelihood.

Kim’s hobbies include snow skiing, hiking, mountain biking, golf and kayaking. She enjoys any outside activities that come her way!
